The questions that follow pertain to the DFA below.

(Remember that states are only marked once during this process.)

Question 1

Fill In Multiple Blanks

pts: 2

Enter your question, specifying where each blank should go. Then define the possible correct answer for each blank. Students must type correct answers into text boxes at each blank.

Question:

In the box below, every place you want to show an answer box, type a reference word (no spaces) surrounded by brackets (i.e. "Roses are [color1], violets are [color2]")
